## PROFIT GUIDANCE FOR THE SIX MONTHS ENDED 31 DECEMBER 2024

---

The Board of Directors ("**Board**" or "**Directors**") of IPS Securex Holdings Limited ("**Company**") and, together with its subsidiaries, "**Group**") wishes to announce that based on a preliminary review of the Group's unaudited financial statements for the six months ended 31 December 2024 ("**1H-2025**"), the Group is expected to report a net loss after tax for 1H-2025 as compared to a net profit after tax of approximately S\$0.18 million for the previous six months ended 31 December 2023 ("**1H-2024**").

The net loss after tax of the Group for 1H-2025 is mainly due to a decrease in revenue in 1H-2025. This was mainly due to the expiry of a maintenance contract with a customer in the Rest of Southeast Asia\* and lower demand for maintenance support services by customers in Singapore. Furthermore, revenue from Security Solutions also decreased due to slower project delivery in accordance with the schedules of certain customers at their request. Notwithstanding the decline in revenue in 1H-2025, costs in general for the period had stayed high.

The Company is still in the process of finalising the Group's unaudited financial results for 1H-2025. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the information currently available to it. Further details of the Group's financial performance for 1H-2025 will be disclosed when the Company announces the Group's unaudited financial results for 1H-2025 by 14 February 2025.

Shareholders and potential investors are reminded to exercise caution when dealing in the securities of the Company and should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers if they are in doubt about the actions that they should take.
