**To: The Shareholders of IPS Securex Holdings Limited**

Dear Sir/Madam,

### THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

#### 1. INTRODUCTION

- 1.1 The Directors propose to seek Shareholders' approval for the proposed renewal of the Share Buyback Mandate at the AGM.
- 1.2 The purpose of this Letter is to provide Shareholders with the relevant information, and to seek the approval of Shareholders, in relation to the proposed renewal of the Share Buyback Mandate.
- 1.3 RHTLaw Asia LLP has been appointed as the legal adviser to the Company as to Singapore law in respect of the proposed renewal of the Share Buyback Mandate.

#### 2. THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

##### 2.1 The Share Buyback Mandate

- 2.1.1 Any purchase or acquisition of Shares by the Company would have to be made in accordance with, and in the manner prescribed by the Companies Act, the Constitution and the Catalist Rules and such other laws and regulations as may, for the time being, be applicable.
- 2.1.2 It is a requirement of the Companies Act that before a company purchases or acquires its own shares, its constitution must expressly permit the company to purchase or otherwise acquire its own shares. Regulation 10(B) of the Constitution provides that the Company may, subject to and in accordance with the Companies Act, purchase or otherwise acquire its issued Shares on such terms and in such manner as the Company may from time to time think fit.

---

## LETTER TO SHAREHOLDERS

---

- 2.1.3 Rule 866 of the Catalist Rules provides that an issuer may purchase its own shares if it has obtained the prior specific approval of shareholders in a general meeting. Accordingly, approval is being sought from the Shareholders at the AGM for the proposed renewal of the Share Buyback Mandate. An ordinary resolution will be proposed, pursuant to which the Share Buyback Mandate will be given to the Directors to exercise all powers of the Company to purchase or otherwise acquire Shares according to the terms of the Share Buyback Mandate.
- 2.1.4 If the proposed renewal of the Share Buyback Mandate is approved by the Shareholders at the AGM, the authority conferred by the Share Buyback Mandate will take effect from the date of the AGM and continue in force until the date on which the next AGM is held or as required by law to be held, whichever is earlier, unless prior thereto, purchases or acquisitions of Shares by the Company pursuant to the Share Buyback Mandate have been carried out to the full extent mandated, or the authority conferred by the Share Buyback Mandate is revoked or varied by Shareholders in a general meeting.

### 2.2 Rationale for the Share Buyback Mandate

- 2.2.1 The rationale for the Company to renew the Share Buyback Mandate is as follows:
- (a) The Share Buyback Mandate will provide the Company with greater flexibility in managing its capital structure. To the extent that the Company has capital and surplus funds which are in excess of its financial needs, taking into account the growth and expansion plans of the Group, the Share Buyback Mandate will facilitate the return of excess cash and surplus funds to Shareholders in an expedient, effective and cost-efficient manner.
  - (b) In managing its business, the Group strives to increase Shareholders' value by improving, amongst others, the return on equity of the Group. In addition to growth and expansion of the business, purchases or acquisitions of Shares by the Company pursuant to the Share Buyback Mandate may be considered as one of the ways through which the return on equity of the Group may be enhanced.
  - (c) The Share Buyback Mandate will enable the Directors to utilise the Shares which are purchased or acquired thereunder and held as treasury shares to be sold for cash or transferred as consideration for the acquisition of shares in or assets of another company or assets of a person, or for the purposes of or pursuant to any share scheme, whether for its employees, directors or other persons, which may be less dilutive than if new Shares were issued for this purpose.
- 2.2.2 The Company will only purchase or acquire Shares pursuant to the Share Buyback Mandate if it is beneficial to the Company and Shareholders. Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buyback Mandate may not be carried out to the full limit as authorised. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the liquidity and capital adequacy position of the Group as a whole and/or affect the listing status of the Company on the SGX-ST.

---

## LETTER TO SHAREHOLDERS

---

### 2.3 Authority and Limits of the Share Buyback Mandate

The authority and limitations placed on purchases or acquisitions of Shares by the Company pursuant to the Share Buyback Mandate, if approved at the AGM, are summarised below:

#### 2.3.1 *Maximum Number of Shares*

##### Share buy-back limit

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Buyback Mandate shall not exceed 10.0% of the total number of issued Shares as at the date on which the resolution authorising the Share Buyback Mandate is passed, unless the Company has, at any time during the Relevant Period, effected a reduction of its share capital in accordance with the applicable provisions of the Companies Act, in which event the issued share capital of the Company shall be taken to be the amount of the issued share capital of the Company as altered. Any Shares which are held as treasury shares or any subsidiary holdings shall be disregarded for the purposes of computing the 10.0% limit.

**For illustrative purposes only**, based on 484,844,100 issued Shares as at the Latest Practicable Date, and assuming that there will be no changes in the number of Shares on or prior to the date of the AGM, the purchase or acquisition by the Company pursuant to the Share Buyback Mandate of up to the maximum limit of 10.0% of its issued Shares will result in the purchase or acquisition of up to 48,484,410 Shares.

##### Listing status on the SGX-ST

The Listing Manual provides that an issuer must ensure that at least 10% of a class of the total number of issued shares in a class that is listed (excluding Treasury Shares, preference Shares and convertible equity securities) is at all times held by the public.

In order to maintain the listing status of the Shares on the SGX-ST and pursuant to Rule 723 of the Catalist Rules, the Company must ensure that there is at all times a public float of not less than 10% of the issued Shares (excluding Treasury Shares). The Company will not carry out any Share Buy-back to such extent that it would result in the number of Shares remaining in the hands of the public to fall below the minimum level required under the Listing Manual without adversely affecting the listing status of the Company.

As at the Latest Practicable Date, 207,704,100 Shares (or approximately 42.84% of the total number of issued Shares (excluding Treasury Shares)) are held in the hands of the public. In the event that the Company purchases the maximum of 10% of its issued ordinary share capital from such public Shareholders, the resultant percentage of the issued Shares (excluding Treasury Shares) held by the public Shareholders would be reduced to approximately 36.49%.

---

## LETTER TO SHAREHOLDERS

---

The Company will not undertake Share Buy-Backs up to the full 10.0% limit pursuant to the Share Buy-Back Mandate if it will result in the public float falling below 10.0% of the issued Shares (excluding Treasury Shares) and will ensure that the 10.0% public float requirement is maintained at all times if any Share Buy-back is undertaken. The Directors will ensure that any Share Buy-Back, if undertaken by the Company pursuant to the Share Buy-Back Mandate, will not affect orderly trading of the Company's Shares and its listing status.

Therefore, although the Share Buy-Back Mandate would authorise the Company to purchase up to 10.0% of the total number of issued Shares of the Company as at the date the Share Buy-Back Mandate is approved, the Company may not necessarily buy back or be able to buy back 10.0% of the total number of issued Shares in full (as set out above).

Before deciding to effect a Share Buy-back, the Directors will ensure that, notwithstanding such purchase, a sufficient float in the hands of the public will be maintained to comply with Listing Manual requirements.

### 2.3.2 *Duration of Authority*

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the AGM at which the Share Buyback Mandate is approved ("**Approval Date**"), up to the earliest of:

- (a) the date on which the next AGM is held or is required by law to be held;
- (b) the date on which the purchases or acquisitions of Shares by the Company pursuant to the Share Buyback Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by Shareholders in a general meeting.

The Share Buyback Mandate may be renewed at each subsequent AGM or other general meetings of the Company.

### 2.3.3 *Manner of Purchases or Acquisitions of Shares*

Purchases or acquisitions of Shares under the Share Buyback Mandate may be made by way of:

- (a) on-market purchases, transacted on the SGX-ST through the SGX-ST's trading system ("**Market Purchase**"); and/or
- (b) off-market purchases pursuant to an equal access scheme in accordance with Section 76C of the Companies Act and the Catalist Rules ("**Off-Market Purchase**").

The Directors may impose such terms and conditions which are not inconsistent with the Share Buyback Mandate, the Catalist Rules and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any Off-Market Purchases.

---

## LETTER TO SHAREHOLDERS

---

Under the Companies Act, an Off-Market Purchase must satisfy all of the following conditions:

- (a) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (b) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made to them; and
- (c) the terms of all the offers shall be the same, except that there shall be disregarded:
  - (i) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
  - (ii) (if applicable) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid; and
  - (iii) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

In addition, Rule 870 of the Catalist Rules provides that, in making an Off-Market Purchase in accordance with an equal access scheme, the Company must issue an offer document to all Shareholders containing at least the following information:

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the Share Buyback;
- (d) the consequences, if any, of the Share Buyback that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether the Share Buyback, if made, could affect the listing of the Company's equity securities on the SGX-ST;
- (f) details of any Share Buyback made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (g) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

---

## LETTER TO SHAREHOLDERS

---

### 2.3.4 **Maximum Purchase Price**

The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors. However, the purchase price to be paid for the Shares as determined by the Directors must not exceed:

- (a) in the case of a Market Purchase, 105.0% of the Average Closing Price (as defined herein) of the Shares; and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120.0% of the Average Closing Price of the Shares,

in each case, excluding related expenses of the purchase or acquisition (the “**Maximum Price**”).

For the above purposes, “**Average Closing Price**”, in the case of a Market Purchase, means the average of the closing market prices of a Share over the last five Market Days, on which transactions in the Shares were recorded preceding the day of the Market Purchase, and deemed to be adjusted for any corporate action that occurs after the relevant five-day period, or in the case of an Off-Market Purchase, means the average of the closing market prices of a Share over the last five Market Days, on which transactions in the Shares were recorded, preceding the date on which the Company makes an offer for the purchase or acquisition of Shares from Shareholders, stating therein the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

### 2.4 **Status of Purchased Shares under the Share Buyback Mandate**

Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation) unless such Shares are held by the Company as treasury shares. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

At the time of each Share Buyback, the Directors will decide whether the Shares purchased or acquired will be cancelled or kept as treasury shares, or partly cancelled and partly kept as treasury shares, taking into consideration the then prevailing circumstances and requirements of the Company at the relevant time.

### 2.5 **Treasury Shares**

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

#### 2.5.1 **Maximum Holdings**

The aggregate number of Shares held as treasury shares cannot at any time exceed 10.0% of the total number of issued Shares.

---

## LETTER TO SHAREHOLDERS

---

In the event that the number of treasury shares held by the Company exceeds 10.0% of the total number of Shares, the Company shall dispose of or cancel such excess treasury shares within six (6) months of the day on which such contravention occurs, or such further period as the Registrar may allow.

### 2.5.2 ***Voting and Other Rights***

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. Furthermore, a subdivision or consolidation of any treasury share into treasury shares of a greater or smaller amount is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

### 2.5.3 ***Disposal and Cancellation***

Where Shares are held as treasury shares, the Company may at any time (but subject always to the Take-over Code):

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for its employees, directors or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as the Minister for Finance may by order prescribe.

In addition, under Rule 704(31) of the Catalist Rules, the Company must immediately announce any sale, transfer, cancellation and/or use of treasury shares held by it stating the following:

- (a) date of the sale, transfer, cancellation and/or use;
- (b) purpose of such sale, transfer, cancellation and/or use;
- (c) number of treasury shares sold, transferred, cancelled and/or used;
- (d) number of treasury shares before and after such sale, transfer, cancellation and/or use;

---

## LETTER TO SHAREHOLDERS

---

- (e) percentage of the number of treasury shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (f) value of the treasury shares if they are used for a sale or transfer or cancelled.

### 2.6 Source of Funds for Share Buyback

2.6.1 Pursuant to Section 76F of the Companies Act, any purchase or acquisition of Shares may be made only if the Company is solvent and out of the Company's capital or profits. It is an offence for a director or chief executive officer of the company to approve or authorise the purchase or acquisition of Shares, knowing that the Company is not solvent. For this purpose, pursuant to the Companies Act, the Company is solvent if at the date of the payment, the following conditions are satisfied:

- (a) there is no ground on which the Company could be found to be unable to pay its debts;
- (b) if –
  - (i) it is intended to commence winding up of the Company within the period of 12 months immediately after the date of the payment, the Company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or
  - (ii) it is not intended so to commence winding up, the Company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and
- (c) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase, acquisition, variation or release of Shares (as the case may be), become less than the value of its liabilities (including contingent liabilities).

2.6.2 The Company will use internal resources and/or external borrowings to finance the purchase or acquisition of Shares pursuant to the Share Buyback Mandate. The Directors will only make purchases or acquisitions of Shares under the Share Buyback Mandate in circumstances which they believe will not result in any material adverse effect on the financial position of the Company or the Group, the working capital requirements of the Group, availability of financial resources, the Group's ability to service its debts and other obligations, the expansion and investment plans of the Group, as well as, taking into consideration the prevailing market conditions.

## LETTER TO SHAREHOLDERS

### 2.7 Financial Effects

The financial effects arising from a purchase or acquisition of Shares pursuant to the Share Buyback Mandate on the Group and the Company will depend on, amongst others, whether the Shares are purchased or acquired out of profits and/or capital of the Company, the number of Shares purchased or acquired, the consideration paid for such Shares and whether the Shares purchased or acquired are held as treasury shares or cancelled. The financial effects on the Group and the Company, based on the audited financial statements of the Group and the Company for FY2025 are based on the following principal assumptions:

- (a) the purchase or acquisition of Shares pursuant to the Share Buyback Mandate had taken place on 1 July 2024 for the purpose of computing the financial effects on the EPS;
- (b) the purchase or acquisition of Shares pursuant to the Share Buyback Mandate had taken place on 30 June 2025 for the purpose of computing the financial effects on Shareholders' equity, NTA per Share and gearing of the Group and the Company; and
- (c) the transaction costs incurred for the purchase or acquisition of Shares pursuant to the Share Buyback Mandate have been assumed to be insignificant and have been ignored for the purpose of computing the financial effects.

#### 2.7.1 *Purchase or Acquisition out of Profits and/or Capital*

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's profits and/or capital so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding brokerage, commission, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends out of profits by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends out of profits by the Company will not be reduced but the shareholders' equity of the Company will be reduced by such amounts.

#### 2.7.2 *Number of Shares Acquired or Purchased*

**For illustrative purposes only**, on the basis of 484,844,100 Shares (excluding treasury shares and subsidiary holdings) in issue as at the Latest Practicable Date, and assuming no change in the number of Shares on or prior to the Approval Date, the purchase or acquisition by the Company of 10.0% of its issued Shares (excluding treasury shares and subsidiary holdings) will result in the purchase or acquisition of 48,484,410 Shares.

---

## LETTER TO SHAREHOLDERS

---

### 2.7.3 ***Maximum Price Paid for Shares Acquired or Purchased***

In the case of Market Purchases by the Company and assuming that the Company purchases or acquires 48,484,410 Shares at the Maximum Price of S\$0.025 per Share (being the price equivalent to 5.0% above the Average Closing Price of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 48,484,410 Shares is S\$1,212,110.

In the case of Off-Market Purchases by the Company and assuming that the Company purchases or acquires 48,484,410 Shares at the Maximum Price of S\$0.029 per Share (being the price equivalent to 20.0% above the Average Closing Price of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 48,484,410 Shares is S\$1,406,048.

### 2.7.4 ***Illustrative Financial Effects***

**For illustrative purposes only**, and on the basis of the assumptions set out above, the financial effects of the: (i) acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of capital and held as treasury shares; and (ii) acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of capital and cancelled; on the audited financial statements of the Group and the Company for FY2025 are set out in the sections below.

Save as set out in Paragraph 2.7.1 above, the financial effects of the acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of profits are similar to that of purchases made out of capital. Therefore, only the financial effects of the acquisition of the Shares pursuant to the Share Buyback Mandate by way of purchases made out of capital are set out in this Letter.

## LETTER TO SHAREHOLDERS

---

**Shareholders should note that the financial effects set out above are for illustrative purposes only. In particular, it is important to note that the above analysis is based on the historical audited financial statements of the Group and the Company for FY2025, and is not necessarily representative of future financial performance.**

Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10.0% of the issued Shares (excluding treasury shares and subsidiary holdings), the Company may not necessarily purchase or acquire or be able to purchase or acquire 10.0% of the issued Shares (excluding treasury shares and subsidiary holdings). In addition, the Company may cancel all or part of the Shares purchased or acquired, or hold all or part of the Shares purchased or acquired as treasury shares.

### 2.8 Listing Rules

2.8.1 Rule 871 of the Catalist Rules specifies that an issuer must announce all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

Such announcement (which must be in the form of Appendix 8D of the Catalist Rules) must include the details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares, as applicable, and the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and subsidiary holdings after the purchase and the number of treasury shares held after the purchase.

2.8.2 The Catalist Rules does not expressly prohibit an issuer from purchasing or acquiring its own shares during any particular time or times. However, as the Company would be regarded as an “insider” in relation to any proposed purchase or acquisition of Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Buyback Mandate at any time after a price-sensitive development has occurred or has been the subject of a decision of the Directors until such time as the price-sensitive information has been publicly announced or disseminated in accordance with the requirements of the Catalist Rules.

---

## LETTER TO SHAREHOLDERS

---

- 2.8.3 In particular, in line with the best practices guide on dealings in securities under Rule 1204(19) of the Catalist Rules, the Company will not purchase or acquire any Shares pursuant to the Share Buyback Mandate during the period commencing one (1) month before the announcement of the Company's half year and full year financial statements (if not required to announce quarterly financial statements), or two (2) weeks before the announcement of the Company's financial statements for each of the first three (3) quarters of its financial year and one (1) month before the announcement of the Company's full year financial statements (if required to announce quarterly financial statements), as the case may be.
- 2.8.4 Rule 723 of the Catalist Rules requires an issuer to ensure that at least 10.0% of any class of its listed securities (excluding treasury shares, preference shares and convertible equity securities) must be held by public shareholders. As at the Latest Practicable Date, approximately **42.84%** of the Shares are held by the public. Accordingly, the Company is of the view that there is a sufficient number of Shares in issue held by the public which would permit the Company to undertake Share Buybacks up to the full 10.0% limit pursuant to the Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

For the purpose of this section, "**public**" under the Catalist Rules is defined as persons other than:

- (a) directors, chief execution officer, substantial shareholders or controlling shareholders of the issuer or its subsidiary companies; and
- (b) associates of the persons in paragraph (a) above.

### 2.9 Take-over Implications

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

#### 2.9.1 *Obligation to make a take-over offer*

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a mandatory take-over offer for the Company under Rule 14 of the Take-over Code.

---

## LETTER TO SHAREHOLDERS

---

### 2.9.2 *Persons Acting in Concert*

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will, amongst others, be presumed to be acting in concert:

- (a) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by any of the directors, their close relatives and related trusts;
- (b) a company with its parent company, its subsidiaries, its fellow subsidiaries, any associated companies of the aforementioned companies, any company whose associated companies include any of the aforementioned companies and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the aforementioned companies for the purchase of voting rights. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20.0% but not more than 50.0% of the voting rights of the first-mentioned company;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total 10.0% or more of the client's equity share capital;
- (f) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer or where the directors have reason to believe a bona fide offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, and any person who is accustomed to act according to his instructions, companies controlled by any of the aforementioned, and any person who has provided financial assistance (other than a bank in its ordinary course of business) to any of the aforementioned for the purchase of voting rights.

---

## LETTER TO SHAREHOLDERS

---

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

### 2.9.3 ***Effect of Rule 14 and Appendix 2 of the Take-over Code***

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and persons acting in concert with them would increase to 30.0% or more, or in the event that such Directors and persons acting in concert with them hold between 30.0% and 50.0% of the Company's voting rights, if the voting rights of such Directors and persons acting in concert with them would increase by more than 1.0% in any period of six (6) months. In order for the Directors and their concert parties to avail themselves of exemption from the requirement to make a take-over offer, certain conditions as set out in the Take-over Code have to be satisfied, including:

- (a) the inclusion in the circular to Shareholders on the resolution to authorise the Share Buyback Mandate, advice to the effect that by voting for the resolution to authorise the Share Buyback Mandate, Shareholders are waiving their right to a take-over offer at the required price from Directors and parties acting in concert with them who, as a result of the Company purchasing or acquiring its Shares, would increase their voting rights to 30.0% or more, or, if they together hold between 30.0% and 50.0% of the Company's voting rights, would increase their voting rights by more than 1.0% in any period of six (6) months; and the names of such Directors and persons acting in concert with them, their voting rights at the time of the resolution and after Share Buybacks pursuant to the Share Buyback Mandate;
- (b) the submission to the SIC by each of the Directors of an executed form as prescribed by the SIC within seven (7) days of the passing of the resolution to authorise the Share Buyback Mandate; and
- (c) abstaining from voting and recommending the resolution authorising the Share Buyback Mandate.

As at the Latest Practicable Date, none of the Directors nor their concert parties have any intention of availing themselves of the exemption as aforementioned.

Under Appendix 2 of the Take-over Code, a Shareholder who is not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Shareholder in the Company would increase to 30.0% or more, or, if such Shareholder holds between 30.0% and 50.0% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1.0% in any period of six (6) months. Such a Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

## LETTER TO SHAREHOLDERS

**Shareholders are advised to consult their professional advisers and/or the Securities Industry Council at the earliest opportunity as to whether an obligation to make a take-over offer under the Take-over Code would arise by reason of any Share Buyback by the Company.**
